

# Frosty the Snowman

Walter "Jack" Rollins and Steve Nelson (1950); performed by Gene Autry

[A]Thumpety thump thump, thumpety thump thump

Look at Frosty [E7] go

[A]Thumpety thump thump, thumpety thump thump

[D]Over the [E7] fields of [A] snow [D] [A]

[A] Frosty the [A7] Snowman was a [D] jolly, [E7] happy [A] soul, [A7]

With a [D] corncob [E7] pipe and a [A] button nose

And two [E7] eyes made out of [A] coal. [E7]

[A] Frosty the [A7] Snowman is a [D] fairy [E7] tale they [A] say,

He was [D] made of snow but the [A] children know

How he [Bm] came to [E7] life one [A] day. [A7]

There [D] must have been some [C#m] magic in that

[Bm]Old silk [E7] hat they [A] found,

For[E] when they placed it on his head,

He[F#m] began to [B7] dance [E] around.

[A]Frosty the [A7] Snowman was [D] alive as [E7] he could [A] be,

And the [D] children say he could [A] dance and play

Just the [Bm] same as [E7] you and [A] me. [A7]

There [D]must have been some [C#m] magic in that

[Bm]Old silk [E7] hat they [A] found,

For [E] when they placed it on his head,

He [F#m] began to [B7] dance [E] around.

[A]Frosty the [A7] Snowman knew the [D] sun was [E7] hot that [A] day,

So he said [D] "Lets run, well have [A] lots of fun

Now[E7] before I melt [A] away." [E7]

[A]Down in the [A7] village with a [D] broomstick [E7] in his [A] hand,

Running[D] here and there all [A] around the square

Saying[Bm] "Catch me [E7] if you [A] can!"

[A]Down in the [A7] village with a [D] broomstick [E7] in his [A] hand,

Running[D] here and there all [A] around the square

Saying[Bm] "Catch me [E7] if you [A] can!" [A7]

He [D] lead them down the [C#m] streets of town

Right [Bm] to a [E7] traffic [A] cop,  
And he [E] only paused one moment when  
He [F#m] heard him [B7] holler [E] "Stop!"  
For [A] Frosty the [A7] Snowman had to [D] hurry [E7] on his [A] way,  
But he [D] waved goodbye, saying [A] "don't you [F#m] cry,  
I'll be [D] back ag-[E]ain some [A] day!"

[A]Thumpety thump thump, thumpety thump thump  
Look at Frosty [E7] go

[A]Thumpety thump thump, thumpety thump thump  
[D]Over the [E7] fields of [A] snow [D] [A]
