Words and music by Slaid Cleaves

Key: G

Time: 4/4

*Verse 1

(slowly, 1 strum per chord)

For [G] you, I'd give up [D] all my time

[G] Searching for the [C] perfect rhyme

And [G] this is one that certainly per[D]plexes [D7]

For [G] you, I would spend [D] all my days

[G] Thinking up all the [C] crazy ways

(faster, d-u-d-u-d-u pattern)

I [G] love you even [D] more than I love [G] Texas

*Verse 2

You got [G] Bellaire class and [D] Dallas style

[G] Austin soul and a [C] Luckenbach smile

For [G]you I'd trade my truck in for a [D]Lexus[D7]

You [G]smell as sweet as the [D]piney woods

I'd [G]marry you if I [C]thought I could

I [G]love you even [D]more than I love [G]Texas[G7]

*Chorus 1

You're the [C]barb in my wire

The [G]spark in my campfire

There's no brighter star in [Em]all the Multi[D]plexes[D7]

I [G]love this state, you [D]know I do

But the [G]best thing in this [C]state is you

I [G]love you even [D]more than I love [G]Texas

*Instrumental

Your [G]wit's as sharp as a [D]prickly pear

The [G]sun shines in your [C]golden hair

Your [G]smile hits me right in the solar [D]plexus[D7]

[G]Skin as soft as early [D]morning rain

[G]Temper like a Gulf Coast [C]hurricane

I [G]love you even [D]more than I love [G]Texas

*Verse 3

Your [G]wit's as sharp as a [D]prickly pear

The [G]sun shines in your [C]golden hair

Your [G]smile hits me right in the solar [D]plexus[D7]

[G]Skin as soft as early [D]morning rain

[G]Temper like a Gulf Coast [C]hurricane

I [G]love you even [D]more than I love [G]Texas

*Verse 4

From the [G]Mucky Duck to the [D]Broken Spoke

You [G]know this state like an [C]old cowpoke

You [G]know where all the tastiest Tex-[D]Mex is[D7]

You got [G]Mattson on the [D]radio

Playing [G]Robert Earl and [C]Billy Joe

I [G]love you even [D]more than I love [G]Texas[G7]

Chorus 2

You're the [C]barb in my wire

The [G]spark in my campfire

Let's head out west where [Em] nobody can [D]text us[D7]

I [G]love this state, you [D]know I do

But the [G]best thing in this [C]state is you

I [G]love you even [D]more than I love [G]Texas

*Outro

(slow again, one strum per chord)

And [G]if you make me [D]leave this state

I'll [G]groan but I won't [C]hesitate

(pick up pace)

'Cause I [G]love you even [D]more than I love [C]Texas (yodel if you dare)[G]
